MyChart

YOU CAN NOW MANAGE YOUR HEALTH RECORDS ONLINE!

At Tomah Health, we offer you the opportunity to access your healthcare records through our MyChart. Accessing your personal health information is now easy, secure, and convenient from anywhere.

Access and manage your health information on your computer or mobile device. Pay your bills online and view payment history.
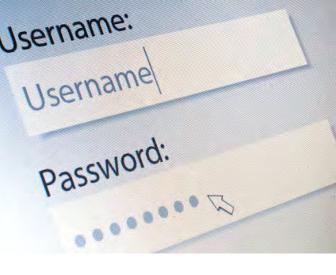

Request or cancel appointments, and view details for past and future appointments. Complete pre-visit tasks such as eCheck-In or patient questionnaires.

View test results as soon as results are available.

Communicate with select care team members and get answers to your medical questions.

ONLY YOU AND THOSE YOU PERSONALLY AUTHORIZE CAN OBTAIN YOUR HEALTH INFORMATION!

CREATE YOUR ACCOUNT TODAY

Go to TomahHealth.org/mychart from your computer or mobile device. Select Launch MyChart. You will be directed to the Tomah Health MyChart Page.

GET THE APP, TOO!

Having MyChart on your mobile device gives you secure, rapid access to all of its features.

To get the app:

- Download from the App Store, Apple Store or Google Play by searching for "MyChart"
- Search Wisconsin for "Tomah Health MyChart (April 1, 2022 and after)"
- Log in with your MyChart username and password you used to create your account
